## THE FOOTBALL CODE: THE SCIENCE OF PREDICTING THE BEAUTIFUL GAME

[DOWNLOAD PDF](#)

Self-publisher. Paperback. Condition: New. 268 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. The Football Code outlines an innovative, ground-breaking philosophy that will change the way you watch the beautiful game. In a sport which is so largely dictated by randomness, how can we accurately assess the performance of teams, players and managers? How can we tell who is good and who is simply lucky? The Football Code teaches how a more scientific approach can eradicate the damaging effects of chance, leaving a clearer image of what is actually happening on the field of play. Only then can managers sign better players. Only then can pundits offer better judgements. Only then can fans compile better fantasy football teams. This book addresses the intrinsic errors and inefficiencies which plague the sport, whilst at the same time revealing the top secret methods that professional gambling syndicates use to predict future outcomes. Above all, it discloses the top secret, data-driven system that one football mastermind has used to make millions in the betting markets, and that has allowed the Championship team he owns to punch spectacularly above its financial weight. Football has finally found its answer to baseball's Moneyball. Any fan who doesn't read this book will be left behind. - William Lund. Unveils a revolutionary approach to the transfer market. Truly exceptional. - FootballNow. A masterclass. The sport of football will never be the same again - Levi Janssen. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
