Brand New Book ***** Print on Demand *****.Warren Buffett is undoubtedly the most successful stock market trader today. He is currently worth billions of dollars and his net worth is still on the rise. Many investors strive to be just like him, but sadly only a few of them are actually successful in emulating even a fraction of his success. What is the secret to Warren Buffett's enormous wealth? Does he have superpowers that allow him to see into the future and take stock of his investments? The truth may actually shock you because it is much simpler than you think. Even though it is not really guaranteed that you will be met with the same kind of success, you are assured to get some valuable insights on how to invest your money properly and ensure that you actually make money instead of lose it. Here you will learn how to determine the true worth of a company so you will have an easier time determining whether or...
