Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Picking up where the alien war between Kurii and Priest-Kings left off, a young woman by the name Allison Ashton-Baker, involved in playing Gorean games on Earth, is transported to Ar to become a major witness of the unfolding events. We meet again with Lord Grendal, the result of a failed experiment to mix the genes of humans and Kurii; the Lady Bina, former pet of Agamemnon, she who dreams of becoming Ubara of Ar; and Agamemnon himself, 11th face of the Nameless One, the illustrious mastermind behind the Kurrian invasion. Packed with action, and, as usual, presented with a spicy dressing of cultural relativism and critical remarks on modernity and gender relations. John Norman s epic Gorean Saga is one of the longest-running and most successful series in the history of fantasy. It is also one of the most controversial. Over the course of more than 30 books produced over a span of six decades, the series has sold millions of copies and built legions of fans unrivaled in their devotion.
