Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Aliya Franecki)

DANGER IS EVERYWHERE: A HANDBOOK FOR AVOIDING DANGER

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Danger is Everywhere: A Handbook for Avoiding Danger, David O'Doherty, Chris Judge, Diary of a Wimpy Kid meets The Dangerous Book for Boys, Danger is Everywhere is a brilliantly funny handbook for avoiding danger of all kinds that will have everyone from reluctant readers to bookworms laughing out loud (very safely) from start to finish. Does it warn you about what to do if a shark comes up out of the loo while you are sitting on it? Yes it does. And how to find out if your granny is a robot? That too. And what to do if a volcano erupts underneath your house? After you've made sure it's not a neighbour's barbecue, this book will let you know exactly how to deal with it. "I dislocated my jaw laughing". (Eoin Colfer, author of Artemis Fowl). Written by Docter Noel Zone, the world's greatest (and only) Dangerologist, with the help of his neighbours: David O'Doherty (words): a multi-award-winning stand-up comedian, writer and popular guest on television shows such as QI, Have I Got News For You and Would I Lie to You? David has written two theatre shows for children, including one where he fixed their bicycles live on stage. Chris Judge (pictures): the award winning author/illustrator of The Lonely Beast, three successive picture books and a number of other projects. Chris' work has appeared in high-profile advertising campaigns, newspapers, magazines, exhibitions and other media in Ireland and the UK.
