

Sasanian Persia: The Rise and Fall of an Empire

Filesize: 6.15 MB

Reviews

It is in a single of the best pdf. Better than never, though I am quite late in starting to read this one. I realized this ebook from my dad and I encouraged this publication to understand.

SASANIAN PERSIA: THE RISE AND FALL OF AN EMPIRE

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Sasanian Persia: The Rise and Fall of an Empire, Touraj Daryaee, Of profound importance in late antiquity, the Sasanian Empire is almost completely unknown today, except as a counterpoint to the Roman Empire. What are the reasons for this ignorance and why does the Sasanian Empire matter? In this brilliant and highly readable new history Touraj Daryaee fills a huge gap in our knowledge of world history. He examines the Sasanians' complex and colourful narrative and demonstrates their unique significance, not only for the development of Iranian civilisation but also for Roman and Islamic history. The Sasanians were the last of the ancient Persian dynasties and are best known as the preeminent practitioners of the Zoroastrian religion. From its foundation by Ardashir I in 224 CE, the Sasanian Empire was the dominant force in the Middle East for several centuries until its last king, Yazdgerd III, was defeated by the Muslim Arabs, whose horsemen swept away his seemingly far more powerful empire in the 7th century. This was the first post-Hellenic civilisation in the Near East to operate on an imperial scale and its sphere of influence and contact was unparalleled—from India to the Levant and from the Arabian Peninsula to the Caspian Sea. In this concise yet comprehensive new book, Touraj Daryaee provides an unrivalled account of Sasanian Persia. Drawing on extensive new sources he paints a vivid portrait of Sasanian life and unravels the divergent strands that contributed to the making of this great Empire: religion—not just Zoroastrianism but also Manichaeism; the economy; administration; the multiple languages and their literature as well as the Empire's often neglected social history. Daryaee also explores—for the first time in an integrated book on the Sasanians—their descendants' attempts for more than a century after their defeat to establish a second state and reveals how their...
