The unique techniques Dr. Warner teaches, now available in his Get 800 collection of books, are the most effective ever published and cannot be found in any other SAT prep book! The material in this SAT prep book includes: 320 SAT math problems arranged by topic and difficulty level solutions with complete explanations for 160 problems several different solutions for most of the 160 solved problems 160 problems with an answer key for solving on your own Be careful! Some of Dr. Warner's students have shown such significant score increases that the test makers have accused them of cheating with no evidence besides their score increase from one SAT to the next. If you feel that this may happen to you after using this book please contact Dr. Warner before taking your next SAT and he will tell you how to protect yourself. Beware of other SAT prep books on the market that claim to be as good as Dr. Warner's. Other tutors and authors, while very intelligent, often make a mistake by teaching every student how to solve problems in the same way. They do not understand the philosophy of the test and do not always know how to translate their own genius into points which would fit a specific student's needs depending on his/her math level. 320 SAT Math Problems is perfect for your SAT math prep for 5 reasons: Dr. Warner realizes that every student learns differently and this is one of the reasons that many problems are solved in several different ways using...
