

The Snowman. Film Tie-In

By Jo Nesbo

Random House UK Ltd Okt 2017, 2017. Taschenbuch. Condition: Neu. Neuware - Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbo's New York Times bestselling series. Now a Major Motion Picture starring Michael Fassbender. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbo presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity. 550 pp. Englisch.

Reviews

Certainly, this is the finest work by any article writer. It really is full of wisdom and knowledge You will not sense monotony at at any time of your own time (that's what catalogs are for concerning should you ask me).
