DEATH OF A CHILD MOLESTER (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Those that knew Dave Mathers, believed that he was an honorable and hard-working man. On the outside, Dave Mathers was a Knight in Shining Armor . But behind closed doors Dave had terrible secrets. The man that I knew as Dave Mathers was not a man at all. He was a monster. Dave Mathers was what some might refer to as the perfect pedophile . He never faced any criminal or civil consequences for the crimes that he committed against children over his lifetime. The only punishment he ever faced in this world was Karma. Karma took his voice, his wife and left him all alone to die. Now he faces whatever punishment his afterlife may have to offer. Dave Mathers should be used as an example, to help fight the sex abuse crisis we face as a society. Our children deserve a safer world.
