

Who's Next? Analysis of Fed Plundering in Port Usury (NY). How Much Booty Is It?: Part II: Fed Reserve Banks White Collar Crimes (Paperback)

By Ph D Joseph Hawranek

Trafford Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Part II, New York is renamed Port Usury, and it is about how banking privateers operate in their homeport and how much plunder is taken. What form of plundering do they use on land? What are modern-day banking cannons, and how are they used? How do the banks plunder people and nations when not at sea? What is the Merrimack metaphor? The Federal Reserve System (FED), the admiral's ship of a privateer banking armada, controls the money, the Congress, the regulatory bodies, and the rate-setting bodies that give them advantages over merchants, individuals, and nations. This may be changing. The unarmed merchants led by the BRICS have created their own independent financial system collage, the Merrimack, shown on the cover. These nations have united to combat the Rothschild Central Bankers. They now have their own independent regulatory bodies, IMF, SWIFT money transfer system, commodity exchanges, and sovereign credit banks, for the first time in 104 years. Their ship's armors are honest financial systems, which are designed to give them freedom from the FED's admitted dishonest thefts. In the...
