Filesize: 2.44 MB

### **Reviews**

*A brand new e-book with a new viewpoint. I actually have read and so i am certain that i am going to gonna read again once more later on. I am quickly could get a pleasure of studying a published ebook.*  
*(Anastasia Kerluke)*

## CIRCLES WHERE HEADS SHOULD BE (PAPERBACK)

University of North Texas Press,U.S., United States, 2011. Paperback. Condition: New. New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Winner of the Vassar Miller Prize in Poetry, 2010. The poems in Circles Where the Head Should Be are full of objects and oddities, bits of news, epic catalogues, and a cast of characters hoping to make sense of it all. Underneath the often whimsical surface, however, lies a search for those connections we long for but so often miss, and a wish for art to bridge the gaps. Circles Where the Head Should Be has its own distinctive voice, a lively intelligence, insatiable curiosity, and a decided command of form. These qualities play off one another in ways that instruct and delight. An irresistible book. --J. D. McClatchy, author of Mercury Dressing: Poems, judge Storm and Stress That a spider web supports a bead of rain is as significant as rain s resolve, poised where some spinneret has pitched its threads aslant, since, held or holding, each endures a strain-- one presses, one reacts. Don t ask me what it s worth. Despite the facts of matter s favored states, such concentration s of no consequence beyond this life, a net tailored to break, too late for recompense when weight evaporates.
