Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I, in fact, changed my way of thinking.

Brand New Book ***** Print on Demand *****.Excerpt from *British Policy and Opinion During, the Franco-Prussian War* This study is the development of a master s thesis written at the University of Texas under Professor Thad Weed Riker. The author takes this opportunity of thanking him for his help at that time and for his suggestion of a subject that has afforded her sustained interest and enjoyment. She wishes to acknowledge very gratefully the assistance of Professor Charles Downer Hazen, under whose guidance the research was conducted for two years at Columbia. Through his introduction she was enabled to use the very excellent collection of British periodicals and newspapers in the Boston Athenaeum and was incidentally given the pleasure of working in the most delightful library it has been her privilege to enter. The burden of proof reading has fallen to Professor Carlton Hayes, whose skillful care in this particular the author much appreciates. Though examination has been made of the files of the New York and the Boston Public Libraries, the Library of Congress, and the Libraries of Columbia, Harvard, and the University of Texas, the author is aware that much interesting material on the subject remains untouched across the Atlantic. That valuable collection of extracts from the British Press which is entitled *Public Opinion* has been extensively drawn upon to supply the lack of papers not available in this country. Biographies and memoirs of the period are constantly making their appearance and, barring the adoption of the loose-leaf system of certain encyclopaedias, it would not be possible, even in England, to make the work definitive. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at...
