

Moments in Time

By Paul T Kidd

Cheshire Henbury. Paperback. Condition: New. 444 pages. Dimensions: 8.0in. x 5.2in. x 1.1in. Moments in Time, a novel about time and that which is timeless and that which is not, tells the story of Benjamin Woodward, an engineer, an icon of the modern world, who, believing that he creates order out of disorder, and that the risks can be managed, discovers, to his cost, that neither is true. Accidentally discovering a portal that leads from the early twenty-first century to 1750, he finds himself in a Britain on the cusp of the Industrial Revolution, and the dawning of the age of the industrial engineer. With growing but misplaced confidence, he sets about living life in two ages separated by over 250 years, but he encounters a mysterious voice that persistently warns him about the folly of his actions, but which he constantly ignores as he does, too, the self-evident, unexpected consequences of his actions. Gradually, however, the universe begins to teach Benjamin important lessons. These enable him, in the end, after he has destroyed everything that he values in both eras, to understand that he should have taken note of what the voice was telling him. And upon reaching the edge...
