

## Sport in Korea: History, development, management (Hardback)

By -

Taylor Francis Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Korea has become a powerful force in global sport, with South Korea finishing fifth in the medals table at London 2012 and hosting the Winter Olympics in 2018. This book brings together scholars from disciplines including sport history, sociology, journalism, economics, sport development, and sport management to explore the significance of sport in contemporary Korea. Presenting a variety of international perspectives, it plots the dynamic evolution of sport in Korea and envisions the possibilities for its future. Each chapter focuses on a key topic of current relevance, such as sport in the context of shifting relations between North and South Korea, or the role of sport in the expression of Korean nationalism. Arguing that individuals, institutions, businesses, and governments have actively leveraged or exploited sport to influence developments in various social, economic, cultural, and political arenas, this book sheds new light on the importance of sport as a catalyst for change in Korea. This is indispensable reading for any student or scholar with an interest in sport, history, and culture in Korea.

### Reviews

*It is one of my favorite books. Sure, it is actually engaging, nonetheless an interesting and amazing literature. I am happy to let you know that this is basically the finest book I have got to study inside my very own existence and might be the finest publication for ever.*

-- **Randal Reinger**

*A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome PDF I have got read through. It has been developed in a remarkably straightforward way and it is only right after I finished reading this publication in which it actually altered me, modifying the way I believe.*
