Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As a worship leader, you pour your heart into creating the best worship experience possible. You are responsible for a countless number of activities such as music selection, orders of worship and rehearsals. While these are all necessary activities for a successful worship experience, there may be an essential element that s missing: a weekly spiritual growth time with your worship ministry team. Is your team growing deeper together in their spiritual walk? Are you leading them through a dynamic devotional each week that is intended to help worship teams grow in their relationship with Christ? This is what The Power of 1 is specifically designed to do. The Power of 1 seeks to align worship leaders and team members with what God intended worship to be about: Him. To become better leaders of worship, it is imperative we get to know God, the object of our worship, better. By using The Power of 1 over the next 52 weeks, you and your team will embark on an adventure to learn more about God and worship. Your team will be challenged through these five-minute weekly devotionals to see worship from God s perspective and align their hearts with His. The Power of 1, Leader s Guide will help you lead your team while each team member can follow along in their own The Power of 1, Participant s Guide. I trust you will grow deeper in love with Jesus, more clearly understand your role as a worship leader and become more effective in leading others into the presence of God. It is my privilege to join you as you travel the road of this new spiritual journey. It is my prayer...
