DEFINING TRAVEL: DIVERSE VISIONS

[DOWNLOAD](#)

University Press of Mississippi. Paperback. Book Condition: New. Paperback. 324 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. With essays by Gloria Anzalda, Jean Baudrillard, William Bevis, Homi Bhabha, Michel Butor, Hélène Cixous, Erik Cohen, Michel de Certeau, Wayne Franklin, Paul Fussell, Farah Jasmine Griffin, Caren Kaplan, Eric Leed, Dean MacCannell, Doreen Massey, Carl Pedersen, Gustavo Prez-Firmat, Mary Louise Pratt, R. Radhakrishnan, Edward W. Said, and Thayer Scudder. Travel, movement, mobility—these are some of the essential activities in human life. Whether we travel to foreign lands or just across the city, we all journey, and from our journeying we shape ourselves, our history, and the stories we tell. In essays written by some of the most respected contemporary scholars, this anthology brings together some of the best informed convictions about travel. Travel, so essential to human life, is a complex matter that encompasses a variety of travel experiences—family vacation, political exile, exploration of distant lands, immigration, mundane shopping trips. Likewise, as the essays in the collection demonstrate, discussion of travel crosses a range of personal and theoretical perspectives—from the postmodern sensibility of Jean Baudrillard to R. Radhakrishnan's explanation to his son of what it means for Indians to live in the United States. As the field of travel itself travels across academic and theoretical boundaries, it brings together sociology, anthropology, geography, history, psychology, and literary criticism. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
