

Changing Female Identities: Decisions and Dilemmas in the Workplace [Hardcover.

Filesize: 4.33 MB

Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Palgrave Macmillan, UK, 2012. Hardcover. Book Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. Available Now. Book Description: Changing Female Identities explores the influence of parental figures, the role models that women adopt, the diverse feelings that arise as a result of family mandates, and the emotions that arise from cooperation or competition among siblings. It demonstrates how these educational values overlap with work attitudes. Although the influence of family messages is widely acknowledged, few authors have attempted to measure this phenomenon.: The book also explores money as a hidden cause of dependency among women, and how this impacts women's road to success. The author examines in detail the executive-gendered coaching journey and the positive results people achieve when they undergo this process. The text provides a vision of the future and reviews inclusive Scandinavian models. The work is based on an empirical study among a sample of 500 male and female managers in Spain, across generations. : Book Description: An empirical study of 500 male and female managers that looks at how basic educational values overlap with work attitudes, and also at women's attitudes to power in organizations : About the Author: ALICIA E. KAUFMANN is a professor at Alcal University, Spain, and a researcher at the university's Benjamin Franklin Institute of American Studies. She is an executive coach and a Fulbright Scholar. She is the author of 25 books, including the recent Women in Management and Life Cycle, and of more than 50 articles. Size: 14.4 x 1.8 x 23.7 cm. 192 pages. Quantity Available: 1.
