Buoy Point Media. Paperback. Book Condition: New. Paperback. 212 pages. Dimensions: 9.3in. x 6.7in. x 0.6in. John Krubski has been described as a futurist with his feet on the ground. He helps Americas businesses, from the very small to the very large, think their way to a better future. He has developed a formula for creating the future you deserve and applied it to the nation. It lies at the heart of how we got here - both literally and historically. It is the compass towards our future. The Code explains how we decide what we decide and why we value what we value. To the clever reader it also provides a blueprint for motivating and influencing Americans in the market, in the workplace, and at the voting booth. The Code can teach us many things about the third largest country on the planet in terms of both land area and population. American is more a nature than a nationality. Being here doesnt automatically make you American any more than joining a team makes you an athlete. But you dont have to live in America...
