So when his ex-commanding officer assigns him to an undercover mission at a rehab center for vets to discover who leaked sensitive military information to an enemy, he'd rather be anywhere but there. Almost immediately, Cole finds himself at odds with Annie Murray--a peace-loving ecotherapist whose dream is to open an animal sanctuary out of her home. While the two seemingly have nothing in common, their spirited arguments soon fuel a passion for each other. But just as things begin to heat up between therapist and patient, dangerous complications arise. So does the past--and a shocking revelation that puts Cole and everything he now holds dear in the path of a murderous traitor.
