Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Jerome K. Jerome was born in 1859. He was an English humorist best known for his travelogue Three Men in A Boat. Jerome begins this humorous story with these words in the preface. This is a sensible book. I want you to understand that. This is a book to improve your mind. In this book I tell you all about Germany--at all events, all I know about Germany--and the Ober-Ammergau Passion Play. I also tell you about other things. I do not tell you all I know about all these other things, because I do not want to swamp you with knowledge. I wish to lead you gradually. When you have learnt this book, you can come again, and I will tell you some more. I should only be defeating my own object did I, by making you think too much at first, give you a perhaps, lasting dislike to the exercise. I have purposely put the matter in a light and attractive form, so that I may secure the attention of the young and the frivolous. I do not want them to notice, as they go on, that they are being instructed; and I have, therefore, endeavoured to disguise from them, so far as is practicable, that this is either an exceptionally clever or an exceptionally useful work. I want to do them good without their knowing it. I want to do you all good--to improve your minds and to make you think, if I can. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been...
