Brand New Book ***** Print on Demand *****.*Includes pictures *Includes survivors accounts of the hurricane *Includes a bibliography for further reading First news from Galveston just received by train which could get no closer to the bay shore than six miles where the prairie was strewn with debris and dead bodies. About 200 corpses counted from the train. Large steamship stranded two miles inland. Nothing could be seen of Galveston. Loss of life and property undoubtedly most appalling. Weather clear and bright here with gentle southeast wind. - G.L. Vaughan, Manager of Western Union in Houston, in a telegram to the Chief of the U.S. Weather Bureau on the day after the hurricane. In 2005, the world watched in horror as Hurricane Katrina decimated New Orleans, and the calamity seemed all the worse because many felt that technology had advanced far enough to prevent such tragedies, whether through advanced warning or engineering. At the same time, that tends to overlook all of the dangers posed by hurricanes and other phenomena that produce natural disasters. After all, storms and hurricanes have been wiping out coastal communities...
