Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

But when, on the third day, we came on deck the news was written against the sky. Swinging from the funnels, sailors were painting out the scarlet-and-black colors of the Cunard line and substituting a mouse-like gray. Overnight we had passed into the hands of the admiralty, and the Lusitania had emerged a cruiser. That to possible German war-ships she might not disclose her position, she sent no wireless messages. But she could receive them; and at breakfast in the ship s newspaper appeared those she had overnight snatched from the air. Among them, without a scare-head, in the most modest of type, we read: England and Germany have declared war. Seldom has news so momentous been conveyed so simply or, by the Englishmen on board, more calmly accepted. For any exhibition they gave of excitement or concern, the news the radio brought them might have been the result of a by-election.
