Saddleback Educational Publishing, Inc., United States, 2012. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Themes: Hi-Lo, Suicide, family dysfunction. This is a series for young adults who find conventional fiction irrelevant or too hard to read. The series takes an honest and hard-hitting approach to subject matter that many teens will identify with, such as self-abuse, family breakdown, suicide, and sexuality. At 25,000 to 35,000 words, the books are shorter than your average novel, but still look like a trade paperback. The clear, carefully chosen font is slightly larger than normal, and paragraphs are broken with a space. Themes Include: suicide, family dysfunction - Everyone wants to know why Emma tried to kill herself, but she s not telling. First she needs to confront her own past. And then her dad comes visiting.
