Reviews

Very good eBook and beneficial one. It generally is not going to price a lot of. I discovered this ebook from my i and dad advised this book to learn.

(Tyrel Bartell)

EUROPE - TOWARD 2001 INTERNATIONAL STUDIES IN ECONOMICS AND ECONOMETRICS

Springer. Hardcover. Book Condition: New. Hardcover. 380 pages. Dimensions: 9.5in. x 6.5in. x 1.2in. THE BACKGROUND Why a book on Europe - Toward the Year 2001 There are two principal reasons why a European should embark upon such a hazardous enterprise. First, when the Treaty on European Union (popularly known as the Maastricht Treaty, and, hereafter referred to as the Treaty in this introduction) was signed in February 1992, it was agreed that the heads of government of the EU Member States would assemble, in 1996, to examine its workings. This meeting will be known as the Intergovernmental Conference (IGC). Second, by the end of the century, it is certain that arrangements will have been made for the admission of some countries of Central and Eastern Europe into the European Union (EU). Consequently, even with or without the holding of the IGC, it will be urgently necessary to reform some of the Community's policies - notably the Common Agricultural Policy (CAP) and the structural policies which are linked, for example, to Europe - Toward 2001 with the Regional and Social Funds - before these countries become members. Failure to do this could result in bankruptcy for the EU. Of almost equal importance is the reform of the institutions and the actual workings of the Community. Already with 12 Member States, it was difficult enough to manage things on a daily basis. Now, as more countries join the Union, things could literally grind to a stop. Thus, changes in this area are indispensable. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
