Display of nature. we are living in nature. not my own. However. so far. the relationship between humans and nature deal with bad. On the nature of the injury. more than any other species. There are some things the human destruction of the natural environment. but not knowledge. Sometimes. we thought it was to care for the environment. may actually result in the destruction of the environment. Basic human lifestyle still lead to the deterioration of the natural environment. So. can not help but to reflect on. Now. high environmental protection calls for related content into the textbook. but truly comprehend the relationship between man and nature. but it is a big book of our lifetime is also stocked. The relationship between man and nature. not just the human relationship with the environment. The man himself is also part of nature. Social attributes. there are natural attributes. Topic natural attributes. such as the person's gender. wisdom. innocence and childlike. etc. but also on the book discussion. Catalog civilization we come from the life march distinction of people and animals is to can be thought WeiCao I is the greatest miracle of humanity truly glorious human civilization human moving bricks smashing feet a few things to rescue the ancient city's traditional Rhyme Beijing city wall the basis of the abolition of exchange of...
