

Kids Kakuro (Paperback)

By John Pazzelli

Dover Publications Inc., United States, 2006. Paperback. Condition: New. Diana Zourelis (illustrator). Language: English . Brand New Book. Also known as cross sums, this new Japanese puzzle sensation is rivaling the popularity of sudoku. Kakuro helps sharpen math skills, and children will find these brainteasers both absorbing and entertaining. Designed especially for kids, the 48 puzzles are highlighted by whimsical illustrations. Kakuro is similar to both sudoku and traditional crossword puzzles. Like crosswords, kakuro presents clues both across and down. Numbers filling in the vacant squares must add up to the given clues. Like sudoku, kakuro does not allow you to use the same number in a row or column, although you can repeat a number in a row that is separated by a clue. Solutions appear at the back of the book.

Reviews

A must buy book if you need to adding benefit. It really is writter in straightforward words and not difficult to understand. I am just pleased to let you know that here is the best ebook i have got read through in my individual daily life and may be he best book for ever.

-- Prof. Charles Boehm

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Ewell Rempel
