Conflicting government diktat and changeable Ofsted frameworks means that navigating the path to outstanding can be challenging. However, the integrity of an outstanding lesson will always be the same and this book attempts to bottle that formula so that you can recreate it time and time again. In his first book, Twitter phenomenon and outstanding teacher, Ross Morrison McGill provides a bank of inspirational ideas that can be picked up five minutes before your lesson starts and put into practice just as they are, or embedded into your day-to-day teaching to make every lesson an outstanding lesson! In his light-hearted and enthusiastic manner Ross guides you through the ideas he uses on a daily basis for managing behaviour, lesson planning, homework, assessment and all round outstanding teaching. Whether you are an experienced teacher or someone who has little practical teaching experience, there are ideas in this book that will change the way you think about your lessons.
