

Famous Past Lives (Paperback)

By Steve Burgess

John Hunt Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Steve Burgess is one of the UK s leading Hypnotherapists who has completed many thousands of past life regressions. This intriguing book is the story of some of his clients who in regression sessions appear to have been very famous historical characters in their previous lives. These famous past lives include Queen Elizabeth I, her elder sister Queen Mary, one of Jack the Ripper s prostitute victims, Titus Oates from the Scott of the Antarctic Expedition and William Shakespeare. Whilst in trance, Steve s clients give fascinating accounts of their past life alter egos, often experiencing things known only to historians. As they re-live their famous past lives they even provide unknown information, which gives us a fuller insight into the lives of the famous characters, including Elizabeth s passionate affair with Robert Dudley and the fate of their love child, and Shakespeare s travels abroad. This book may be the book that proves the reality of reincarnation, and will be of interest to both sceptics and spiritually minded people.
