

Hiles on Business Continuity: Global Best Practices, 3rd Edition, with Free Downloads of Editable Models, Templates, Spreadsheets and More

Book Review

This is the finest publication we have read through right up until now. Better than ever, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book that I was basically altered, affected the way I think.

(Dr. Gabriella Hayes)
