Your marriage can recover and thrive after an affair. But only when you get to the roots of the problem, solve the issues, rebuild trust, and learn to move forward. Unfortunately, many marriages end needlessly after infidelity. Often, this is a result of not knowing there is another option. This is complicated by not having access to tools and understanding that can heal a marriage. In fact, those tools can help a marriage move toward greater health than was there before the affair. Dr. Lee Baucom provides a roadmap for dealing with physical or emotional infidelity. His book can provide guidance on how to confront an affair, how to understand the reasons behind the affair, and how to move forward through a healing process. His approach gives resources to both the person who had the affair and the spouse. Additionally, Dr. Baucom provides a special Question and Answer bonus to readers that covers common questions from other readers. Your marriage CAN survive an affair. In fact, it can be stronger than before the infidelity. You just need the tools and guidance to get there. Find those tools in this book.
